The Pikes Peak Buckeyes Alumni Club was established in the fall of 2005. We started out as an informal gathering of local Pikes Peak area Buckeyes looking for a place to get together to enjoy OSU football and basketball games in the company of fellow Scarlet & Gray supporters. Over time, the regular attendees decided that it would be worthwhile to move this informal social group toward a formally recognized Alumni Club of the Ohio State University Alumni Association.

Our club completed the formal chartering process through the Ohio State University Alumni Association in May of 2007. We are now a fully sanctioned group with an alumni club constitution and board of officers!

As a formally recognized Alumni Club, we have established several exciting new goals, some short-term and others further off into the future. All of them, however, revolve around establishing a positive Buckeye presence in our local community. We continue to have social functions (aka parties....true to our Buckeye nature!) but we now also engage in Buckeye outreach efforts, community service projects, and award of Pikes Peak region student scholarships.

Now we need you to **JOIN!!!!**

### Dues-Paying Member Benefits

- **Membership in the Pikes Peak Buckeyes Alumni Club - with a membership card to prove it!**

- A portion of your dues (\$5 individual; \$10 family) will be allocated to our local Pikes Peak Buckeye Scholarship Fund, to help a local Colorado student attend Ohio State (These amounts of your membership dues are tax deductible!)

- A \$5 gift certificate to Buffalo Wild Wings (family memberships receive a \$10 gift certificate)

Remember, you **do not** have to be an alumnus of OSU to become a member of the club. You also **do not** have to be a dues-paying member of the club to enjoy the events we organize, but we would like you to register with us so we can stay in touch.
